The Honorable Bolitha J. Laws
Chief Judge
United States District Court
Washington, District of Columbia.

Dear Judge Laws:

This is to request your consideration for postponement of the jury duty of two employees of this Agency.

It is the policy of the Agency that employees will perform their civic duty to serve as jurors except when most urgent business requires that they seek excuses. After careful consideration of the cases of these two employees, we have decided that the nature of their present Agency duties is such as to justify a request to the Court that they be relieved from service.
